

Clemson Downs Property Owners' Association Community Cable TV

Community Cable TV

The Clemson Downs Property Owners Association (the "Community") has negotiated a bulk purchase of Vyve's "Expanded Basic" cable TV service for the community. The arrangement, called a Multiple Dwelling Unit Agreement ("MDU"), makes available a broad selection of standard definition ("SD") and High-Definition ("HD") networks (the "Community Cable TV" service). An unofficial channel lineup of these networks is provided below. Most homes in the community have been pre-wired for this service and no "set-top cable box" is required. The service connects directly to most High-Definition TVs. The cost for this service is \$408 annually (the "Cable TV Fee") paid in annually in January to the Community's treasurer:

Betty Jane Fourspring
CDPOA Treasurer
336 Summer Walk
Clemson, SC 29631
(864) 567-3945

The Cable TV Fee is normally paid along with the Clemson Downs community's annual assessment which is due March 15 in any given year and covers service January 1 through December 31. *This fee is pro-rated (\$34/month) for the months remaining through December when service is initially started by a new subscriber.* The Cable TV Fee is not refundable if service is terminated earlier than December 31.

Additional Vyve Services

If a resident elects to subscribe to the Community Cable TV service, any additional services offered by Vyve above the "Expanded Basic" service (for example Vyve "Digital" TV service, Vyve "Premium" Services, Vyve "Pay-per-View" services, Vyve Internet services, Vyve Telephone services, etc.--together the "Additional Vyve Services") are separately subscribed to by the community resident directly with Vyve and these additional services are invoiced directly by Vyve monthly.

To subscribe to Additional Vyve Services, please contact:

Vyve Customer Service
(864) 882-0002
(877) 270-8648

Let them know that you will be subscribing the "Expanded Basic" service offered through the Clemson Downs community **MDU Account 802-295004** and that you desire additional services.

"Expanded Basic" service includes certain digital channels (for example 54.1, 54.2, 55.1) that can be received for free through a simple channel scan on the subscriber's TV. These are not managed channels. Vyve does not provide a printed channel lineup and the channels change periodically. Subscribers should do a channel scan to pick them up. This tabulation was derived by observation and is not a representation of Vyve or Northland Communications. If you have questions regarding your service, contact Vyve Customer Service (864) 882-0002 or (877) 270-8648.
